1010 Pro|NC

1010 Pro│NC Ultimate NC USB Headset for CC&O

Finally, a new breed of CC&O headset worthy of the name "Noise Cancelling". Trust us when we say you have never seen this before.

Accutone is proud to introduce DeepOcean™, a ground-breaking technology that can actively remove more than 90% of any environmental noise up to more than 30dB at any given moment.

Built into the top-end Lexsus model, the 1010 Pro│NC USB headset is equipped with two high-end microphones, one for audio pick-up and the other one for removing background noise, no matter how loud or how close the noise is. Powered by our proprietary DSP (Digital Signal Processing), the DeepOcean-equipped ProNC headsets are simply the most powerful noise-cancelling headsets you can find in the market.

1010 Pro│NC comes in both monaural and stereo versions, no software or drivers required. Simply plug the headset into any Windows, Mac OS X or Linux operating system and instantly enjoy crystal-clear voice-reception and industry-leading noise-cancelling transmission.

inspiring people, inspiring change

Lexsus 1010 Pro|NC

key features

DeepOcean™ Noise Cancelling Technology. The Pro|NC headset is able to reduce an amazing 30dB background noise without reducing the voice signal.

Dual-Microphone inside Bendable Microphone Arm. The sleek microphone arm is bendable for various positions and preferences. It also houses two sets of high-quality microphone for Pro|NC capabilities.

Aluminum Enclosure & Reinforced Plastics. The use of aluminum and tailor-made plastics provides the 1010 headset strong durability while being very lightweight.

Top-level Acoustics. Proprietary 28mm voice-band loudspeakers provide crystal clear audio performance unparalleled in most competitive products.

Award-Winning Design. Striking contrast design of aluminum metal with black plastics in sharp-looking curves is merely the cosmetics behind an exceptional well-build structure.

USB connectivity with Universal Plug-and-play. The 1010 Pro|NC and its superb noise-cancelling ability is completely driver-free for most operating systems*.

specifications

Materials: Aluminum, ABS+PC & POM

Boom Mic: 280° swivel, 15mm extension

Headset Dimension: 18.8 x 17.0 x 5.5 cm

Weight: 80 grams

Speaker Size: 28mm diameter mylar

Sensitivity: 99dB ±3dB (SPL/100mV@1K Hz)

Impedance: 160Ω ± 20%

Frequency Response: 100 ~ 8000Hz

Mic Dimension: 4mm diameter x 2.2mm high

Microphone Sensitivity: -36dB ±3Pa

Mic Impedance: 2200Ω

Directivity: Omni-directional (Dual)

Humidity Range: 65% ±20%

Cord Length: 1.5m (standard)
2.0m (extended)

Connection: USB

1010 Pro|NC Stereo Version

* Support all versions of Windows XP, Vista, 7 and 8, Macintosh OS X, and some versions of Linux operating systems
